DEL BOSCO

MONTALCINO, TUSCANY  
ITALIA

## GRAPPA DI BRUNELLO DI MONTALCINO

*Distilled from the fresh pomace of the Sangiovese grapes that produce Brunello, this Grappa di Brunello is remarkable for its finesse and fragrance. Luminously clear, it releases a generous, long-lingering bouquet rich in fruit and floral notes. The palate is extremely smooth and harmonious.*

**Distillation:** This grappa is distilled according to the traditional method of a single-batch pot still, whose slow, gradual extraction ensures the preservation of the grapes' finest qualities.

**Maturation:** 1 year in stainless steel

**Bottle-ageing:** 6 months
