

CASTIGLION DEL BOSCO

ZODIAC BRUNELLO DI MONTALCINO - LIMITED EDITION

In 2013 Castiglion del Bosco decided to launch a never-before-seen limited edition wine collection, called "Zodiac". The wine is named after a very small plot of land that was carefully selected by Castiglion del Bosco as the very best vineyard on the entire estate, which produces perfect grapes for this new wine collection. This plot of land sits high in altitude on a unique terroir, and because of the direction the vines face, it captures the full sun especially in the morning. It is therefore a wine made of light, being able to achieve great complexity and elegance.

Each year, one of the Chinese zodiacs will be interpreted by a different artist, and printed on each bottle of this very unique Brunello di Montalcino.

YEAR OF THE HORSE

The first of this limited edition series featured an elegant horse by artist Tian Shu Han (田书翰) to celebrate 2014's Year of the Horse.

YEAR OF THE GOAT

The second instalment of the limited edition vintage was designed by Chinese artist Zhu Wei (朱伟), and it features a goat in three different labels in celebration of 2015's Year of the Goat.

YEAR OF THE MONKEY

The third edition has been designed by the artist Wang Mai (王迈). The artwork features a monkey on two different labels with images and techniques borrowed from Italian and Chinese Frescoes for the Year of the Monkey 2016 celebration.

YEAR OF THE ROOSTER

The fourth edition features a beautifully-rendered rooster by artist Shao Fan (邵帆). This limited edition of 688 magnums and 8 5 litres was designed for the celebration of the Year of the Rooster 2017.
